

Holiday Party North event recap

The holiday spirit was high and bright on the evening of December 2, 2021 as 100 MBEX members and guests came together for great company and merriment at the Greysolon Ballroom in Duluth, Minn. Members enjoyed drinks, networking opportunities, catching up with fellow industry professionals, and throughout the Ballroom, delicious food stations beckoned and showcased tasty treats such as pulled pork

sandwiches and a pretzel bar. Ugly Christmas sweaters were shown off and worn with pride. Before the door prizes were handed out, Don O'Connor made a few words reflecting on the past year and the expansion of MBEX with the recent merger with the St. Cloud Builders Exchange. Our members continue to show their generosity; with the door prize donations made, everybody at Holiday Party North went home with a door prize. This is quite possibly a first in the history of MBEX events! Thank you to The Builders Group (TBG) and all event sponsors and donors, the Greysolon for their stellar staff and service, and our attendees for making this event another one for the books!

The Greysolon Ballroom filled with MBEX members

The ugly Christmas sweater contest winners: Rose Misiewicz (Jamar Company) and Nate Sapik (Benson Electric & MBEX Board member)

Networking with other industry pros and catching up with colleagues

Don O'Connor greets attendees and hands out door prizes to each and every one of them!
