

Re: Notices of Minority Participation

The Minnesota Builders Exchange is pleased to offer generals the opportunity to post notices of minority participation (MBE/WBE/SBE/DBE).

General contractors may submit their announcements at a rate of \$10/per ad or for \$200/year for unlimited ad placement.

All ads will run for a maximum of four weeks. Invoices for \$10/per ad to follow final week. Upon request, MBEX will supply a pro-rated invoice for the \$200/year ad placement option. All invoices will be due upon receipt.

Submit notices to js@mbex.org by Tuesday mornings at 10:00 a.m. to be included in the upcoming versions of the bulletin.

Notices will be available:

- in our Weekly Bulletin
- directly from our home page (accessible by members and non-members)
