

# Minnesota Builders Exchange 2014 Golf Tournament

## Event Recap

This year, we took two attempts at our annual golf outing. On May 19, Mother Nature decided that we would not golf. Luckily, all 144 golfers on 36 teams joined us on the rescheduled date of Monday, June 30, 2014. Our second attempt couldn't have gone off any better! A few early sprinkles didn't slow things down as the sun came out for a wonderful day of golfing. In addition to a day out on the course, attendees also enjoyed lunch, beverages, social hour including door prizes and a sit-down dinner with awards and raffle prizes.
