

# Minnesota Builders Exchange 2015 Sporting Clays Fundraiser

## Event Recap

Historically, the MBEX Sporting Clays Fundraiser has always been a widely-popular event within the industry. This year, expectations were far surpassed as registration for the August 13 event brought in a record number of shooters and teams, with 199 shooters making up 44 teams on 20 shooting stations.

In addition to registering for the 100-clay shoot at Game Unlimited in Hudson, WI, members also showed their support by donating funds and designating sponsorships prior to the event, as well as purchasing raffle tickets during social hour. Participants enjoyed lunch before the shoot, with free beer during social hour and an amazing steak dinner. Raffle prizes and shooting awards helped top off a wonderful day!

The MBEX sporting clays committee and staff are excited to report that the scholarship committee will deposit over \$10,000 into the MBEX/TBG scholarship fund-- making the 2015 Sporting Clays Fundraiser THE most successful clays fundraiser in the history of our organization!
