

2016 Golf Tournament

Event Recap

This year, our annual golf tournament took place on both golf courses at Majestic Oaks Golf Club (Signature and Crossroads). Golfers, sponsors and guests all agreed that the tournament is one of the most popular events hosted by the Minnesota Builders Exchange and The Builders Group (TBG). The early morning showers cleared just in time for the morning registration, leaving us with clear blue skies through out the entire tournament. Majestic Oaks provided great food and services for all 185 golfers, staff and committee members. A social hour and buffet dinner, combined with door prizes and a short program, allowed for recognition of awards and announcements of some awesome raffle prizes!
