Sporting Clays EVENT RECAP

A few spotty showers did not dampen our annual Sporting Clays Fundraiser at Game Unlimited on Thursday, August 10. This year, along with our event co-host and donating partner for our scholarship program, The Builders Group (TBG), MBEX hosted over 200 shooters making up over 35 teams on 20 stations. Free beer, accompanied by a large steak dinner and enjoyable background music wrapped up the evening. Through the fundraising efforts of our shooters, this event generated over \$14,000 for the MBEX/TBG scholarship fund which goes toward providing financial aid to students in the industry.
