

# Minnesota Builders Exchange Young Professionals Network

## EVENT RECAP | OCTOBER 22, 2019

On Tuesday, October 22, 2019, attendees of the Minnesota Builders Exchange Young Professionals Network (YPN) gathered prior to the event for a tour of the new Minneapolis Kraus-Anderson Construction headquarters. The group then migrated over to Finnegan's Brew Co where all attendees enjoyed a free drink along with a night of networking and appetizers. Thank you to our event co-sponsors, Kraus-Anderson Construction and ESG Architecture & Design, and everyone who worked to make this event a success.
