

## Field Engineer

**Market & Johnson, Inc. is seeking a Field Engineer to join our team in Stillwater, MN!** This position is full time and provides excellent salary and benefits as well as great opportunity for advancement. This position will be located on-site (Hammond, WI) and will assist in site and project management with the site superintendent and project manager.

*Are you looking to join a successful team that wins exciting and complex jobs? Do you seek a company that creates intentional teams built to exceed client expectations? At M&J we believe in employee growth and strong team development. Our Field Engineer role is designed for Construction Management students who are interested in gaining practical hands-on, real-world experience. Our mentorship approach gives you a deliberate path going forward and will ensure you obtain the necessary training needed to be a successful leader for Market & Johnson in the future. If you have a strong work ethic, a drive to do things right, and a desire to add value to your community – then we want you to join our team.*

### Responsibilities

- Carry out responsibilities assigned by the Project Superintendent and/or Project Manager in an efficient and timely manner
- Problem solve on-site conflicts and issues (RFI's & Submittals)
- Assist the coordination and management of the project subcontractors and suppliers
- Organize and maintain project schedule.
- Review and manage on-site safety and quality control

### Qualifications

- Bachelor's Degree in Construction Management or similar degree preferred, Associate's Degree required minimum
- Must be able to prioritize and coordinate multiple tasks and meet deadlines
- Excellent communication skills, written and verbal
- Ability to work independently and as part of a team
- Excellent computer skills and sound knowledge of Microsoft Office
- Good phone etiquette/skills
- Excellent organizational skills with attention to detail
- Experience with Procore Project Management and Bluebeam is an asset

### Benefits

- Medical, Dental, Vision, Long Term Disability and Life Insurance
- 401k Plan, Profit Sharing
- Positive and fun company culture with a focus on development, success, and camaraderie

To join an established, successful company that is well known & financially sound, submit your cover letter & resume by **Monday, June 5<sup>th</sup>**.
