## CONGRATULATIONS, RECIPIENTS!

For the 2025-2026 academic year, MBEX awarded 18 students scholarships ranging from \$1,000 - \$2,000 each, totaling in \$24,000, to help financially support their education while pursuing construction-related careers.

Since 2003, the MBEX Scholarship Committee has awarded 152 scholarships for a total of \$307,500. MBEX is proud of its ongoing tradition of supporting the construction industry's future leaders and shakers through its partnership with The Builders Group (TBG) Education Foundation.

## 2025-2026 Scholarship Recipients

**THE MINNESOTA BUILDERS EXCHANGE (MBEX)** is dedicated to supporting the construction industry and its future workforce. Individual memberships and member companies represent design, construction and support industries associated with the commercial construction sector throughout Minnesota and the surrounding five-state area.

MBEX is committed to keeping its members on the leading edge of project information via its Online Plan Room and the sharing of plans, creating connections and community throughout the construction industry, and offering educational opportunities to advance skills needed in today's workplace.

As MBEX continues to grow and advance as an organization, so has its commitment to encouraging and supporting students to pursue careers in the trades and in construction-related fields.

With its partner, The Builders Group (TBG) Education Foundation, MBEX seeks each year to award multiple scholarships ranging in value from \$500 - \$5,000 to students pursuing careers as carpenters, electricians, HVAC specialists, masons, tilers, elevator technicians, plumbers, utility workers, and all specialized trades work, as well as studying construction management, construction engineering, estimating and construction administration.

In addition to the cash scholarship prize, MBEX also provides invitations for all its social events and educational opportunities to each scholarship awardee.
